Dear Parents and Carers

I am writing to thank you for your support over the first few days of the term. Your children have looked smart, have engaged positively in their learning and have been a credit to you, themselves and our school community.

I am sure you will agree that good learning behaviours, the correct equipment and uniform, and good attendance and punctuality are the bedrock of success at school. The policies that we have shared with you around these important aspects of school life are consistent with policies used across the Greenshaw Learning Trust in schools across the South of England. These policies have led to repeated success in our schools. The outcomes that children have achieved, along with the inspection grades issued by OFSTED are clear evidence of this.

We have received many messages of support from you already this term, highlighting, in particular, the calm and productive nature of lessons and the presentation of children in their uniform. Thank you for those messages which we are always pleased to receive, however if any aspect of our policies and procedures in school are causing concern to you or your children please do contact us and we will be happy to arrange an opportunity for you to meet with the relevant leader to discuss your concerns.

A further reminder to please sign up for class charts to ensure that nothing is missed. Access can be gained by downloading the Class Charts parent app (Android or iOS).
