

TKO/JBI
17 November 2022

Dear Blaise families,

Blaise High School is committed to being a community that has a zero tolerance policy towards bullying, a community where children feel safe and a community where children are able to share their worries or concerns with adults.

This week, our assemblies have addressed the 2022 theme for Anti Bullying Week: Reach Out. Bullying affects millions of lives and can leave people feeling hopeless but it doesn't have to be that way. If we challenge it, we can change it, and it starts by reaching out.

The STAR form (Student Talk and Response Form), launched to students this week, is another way (in addition to talking to the safeguarding team, Head of Year or ANY member of staff) for children to be able to report any worries or concerns they may have in or outside of school.

You can view the STAR Form [HERE](#).

Children will be able to access the STAR Form 24/7 on the Blaise High School [website](#) under: Students → Student Talk and Response Form. This can be accessed in school on school computers and at home on all internet devices.

If you have any further questions about the STAR Form then please see our Q&A page [HERE](#).

Yours faithfully,

Mr T Killigrew
Deputy Headteacher
