

MSO/JBI  
25 May 2023

Dear Parents / Carers,

We are halfway through the exam season and I am so proud of our Year 11's hard work, resilience and determination throughout the exam season so far.

Being in school every day from now until the last exam is so important, students need as much time with their teachers as possible to ensure they walk into every exam feeling confident and prepared. Lessons are running as usual when students are not in exams, and attendance is essential. When a student finishes an option subject they are then given additional core sessions with expert teachers. They must be in school on Friday to collect their revision resources for half term. We will be running a rewards event for all year 11 students on Friday afternoon, to recognise their hard work so far, and all students will finish at 3pm.

### May half-term holiday school

We are offering target exam focused sessions from Tuesday to Friday during half term. All students are welcome and I strongly recommend attendance to each session. Students can wear non-uniform. There is nothing better than being with our expert teachers. AM sessions start at 8:40 and PM sessions start at 12:00. We will be buying pizza each day for lunch to recognise students' hard work. Students will not be able to leave site to get lunch, so please ensure they bring everything they need for the day.

	AM (8:40-11:40)			PM (12:00-3:00)		
Tuesday 30th May	Science	Triple Science		Science	Triple Science	
Wednesday 31st May	Geography	Independent Revision	French	Geography	French	History
Thursday 1st June	Maths			Independent Revision	History	
Friday 2nd June	English			English		

Continued

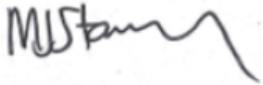

**Period 6**

After half-term school will finish at 3pm for Year 11, unless they have a P6 booster session for their exam, the next morning. You will see this on their summer timetable, which they receive each Monday.

Please contact me if you require any additional support.

Yours sincerely,

**Mr M Standing**

Assistant Headteacher

**Aspiration – Integrity - Pride**
