Benefits

A good breakfast will help you to concentrate better, learn more and enjoy your day

Aspiration - Integrity - Pride

Since the 17th October we are delighted to have offered Breakfast at Blaise, with seventy students joining us for hot porridge or a bagel every morning. All students are welcome to attend free of charge and it has been great to see so many students joining us before school. We know how important a healthy breakfast is for students' ability to concentrate and focus which is why we are so pleased to be able to offer this to all Blaise students. As the weather has worsened this last week it has been great to see so many students in the dining hall eating with their friends. We will continue to offer Breakfast at Blaise from 8am every day so please join us and start the day well if you have not yet done so.

Since the start of the academic year in September the staff have been consistently impressed by how hard students are working day in and day out in their lessons. Year 11 demonstrated this drive to succeed, with over 100 students attending period 7. In both lessons and homework students in all year groups are showing their enthusiasm for learning every day with 4,230 golden tickets and over 102,000 green points awarded in the first half term alone! We will continue to do everything we can to support the aspirations of all our students, with Breakfast at Blaise being one way to help everyone have the best start to their day of learning.

Resource Base Update:

Congratulations to Alberto and Max who have earned 'Killigrew Fried Chicken' over recent weeks.

The recent trips to Legoland and Cardiff Castle were excellent and the students were extremely enthusiastic about both when they returned. It was great for them to be able to put their classroom learning into a practical context.

We welcome feedback at any point, please do use this [form](#) to offer feedback on any part of the school.
