Highlights

Table Top County Cricket

This week, Resource Base children from Year 8 and 9 took part in a Table Top County Cricket Competition to compete against other schools in the area. Table Top cricket allows children to understand tactics, develop teamwork skills and to engage with new people and experiences. The team played really well and won all but one game placing them second overall. It was a great achievement and the students showed good team working skills and enjoyed their first competitive experience. They were supported by our Post 16 Resource Base who developed their leadership skills and supported the leading of sessions.

We are, as ever, immensely proud of our Resource Base. Our staff deliver a fantastic, varied, needs - appropriate curriculum for our children and the children make exceptional, holistic progress as a result. The staff are incredibly skilled and welcoming and always look forward to welcoming visitors, if any of the community would like to see the work which they are doing.

Fun Friday: What is coming up?

10/03/23: Karaoke, come and sing your heart out!

17/03/23: Pi Day maths challenges and more!

Resource Base Update:

Over the last two weeks the Resource Base students have been involved in a number of great events and visits including inclusive cycling for Y9 and a curriculum visit linked to The Vikings for Y10. The Y10 Resource Base class have also been working on a 'rebrand' for KFC on a Friday. New name to be confirmed!

You will find attached to this email a summary of what the children are learning in each year group and a question to ask them about it. Please do ask them and let us know how they get on!
