Highlights

Base Camp and Assessments

We have been delighted to see students enjoying the newly launched Base Camp, where students can complete their homework, read, play boardgames and check out books. There have already been a lot of highly competitive games of chess played and it has been fantastic to see students enjoying their choice of books and discussing these with their friends. This will be complemented by our student book club launching in Unit 3 and watch this space for our parent book club.

Students have also been completing their Unit 2 Knowledge Organiser Assessments and we have noticed how much students have learnt last term, both in terms of the knowledge they have accumulated and also how to prepare for the assessments. We have seen students using flash cards and helping each other revise by testing their friends in the dining hall, over breakfast and Breakfast at Blaise and within Base Camp. We are proud of all our students' hard work and their positive approach to their learning.

Resource Base Update:

The new Resource Base uniform was introduced this week. This creates an increased sense of identity for our Resource base students and it is a more practical option for some students who have mobility difficulties. The students have the option of the full and correct mainstream uniform, or the full and correct new uniform.
