Highlights

For many of our Year 11 students, Friday is their last day of exams and their last day at school with us. They have worked incredibly hard throughout this year and we are so proud of their commitment to achieve the very best grades. Students will see the impact of their hard work on Results Day, which is on 24th August.

We have two events coming up to celebrate and wish our Year 11 students farewell. We have a shirt signing event today, with Choc Ices in the sun. We are also looking forward to our first Blaise High School Prom next week, being held at Bristol Golf Club. It will be a really special event, in a fantastic setting. All students will enjoy a 2 course meal, followed by a disco. Our top 20 students that achieved the most prom points this year have won a free ticket. They will also have early access to our photo booth and candy floss machine. We are looking forward to sharing some photo highlights of the event.

Resource Base Update:

Our Resource Base students continued with their visits to the Watersports Centre in Bristol docks. They are improving their skills to be ready for the Regatta against other schools at the end of the term.

In addition to the Watersports, they also visited the Life Skills Centre for some valuable practical lessons on life outside of school. This included Emergency Aid, shopping and road safety.
