Spring Term 2024 (3)

Year 8

Year 8 students continue to excel in every area of the school, when it comes to sporting successes, academic achievements or creative events. Well done to every student who has continued their 100% attendance streak! Its great to see year 8 giving 100% first time, everytime and as a year group we always do the right thing, even when no-one is watching. As always, when one succeeds, we all succeed. Keep up the hard work everyone!

Blaise High School Student Leadership Team

At the beginning of February we launched our new student leadership structure with Year 8. There are now 6 KS3 Character Representative roles to apply for every unit. Children apply by completing a short application form telling their tutor why they should be considered for the position. Tutors have now selected the very best of these applications to be our very first KS3 Character Representatives, a fantastic achievement!

These students will represent the school every day by upkeeping the highest standards of behaviour, attendance and academic achievement. They will work with our KS4 student leaders and act as a voice for their tutor group whilst also supporting House events.

A huge congratulations to:

Elise E
Angel B
Darren T
Albie M
Arturs N

Our U14 girls came up against St Bedes for their last fixture in the league. This game had a lot of pressure riding on it as if Blaise won, it would mean we were through to the quarter finals. As it was an away fixture, we were lucky enough to be playing on St Bedes' new 4G pitch and the sun was shining. Our girls were a little slow to start but once they found their feet, we were able to play some extremely good football. A penalty was awarded due to the referee not being able to see if the ball went over the backline in their goal and Eley took full advantage of this opportunity, making it 1-0 to Blaise. Not long after, St Bedes managed to take advantage of some gaps in our defence to make it 1-1.

After some brilliant play from the girls up front, Blaise soon took the lead and made the score 2-1. With the end in sight, this new fighting attitude continued with final score being 4-2. This was such a good game for all of the girls that played and even better still, we are now through to the quarter finals!
