HATE CRIME

including racist, homophobic, disabilist, transphobic and faith-based:

REPORT IT

STOP IT

charity no. 1047699 / company no. 3060925

What is a hate crime?

A crime that is motivated by prejudice against a person because of their:

- ethnicity or race
- disability, including mental health
- sexual orientation
- gender identity
- religion or belief
- age
- gender
- marital or pregnancy status

Hate crime can be:

- a physical attack, like assault or spitting
- name calling, verbal abuse or rude gestures
- threats, harassment or intimidation
- humiliation or degradation
- vandalism or criminal damage to your property
- abusive letters, phone calls, leaflets, posters, graffiti, emails, social media, texts or phone calls

If you think you are a victim of hate crime, or have witnessed an incident, contact us

If you report hate crime:

- you stop it getting worse
- you stop it happening to others
- you help identify the offenders
- you make your community safer

Stand Against Racism & Inequality will:

- listen to you, and find out what happened
- not do anything unless you want us to
- keep your information private
- offer practical help like extra security in your home
- give you emotional support as your case develops
- take actions that you agree with

You can report all types of hate crime to us
