

NATIONAL CAREERS WEEK

1st - 5th March 2021

**MONDAY
1ST**

Careers in Gardening & Horticulture, Avon Wildlife Trust - 2.30pm-3pm
Join this session to get information about careers in gardening and horticulture with an opportunity to ask questions to learn more!
Open to students Year 7 - Year 11. Max 30 spaces available.

Careers in Construction with ENGIE - 3pm-4pm
ENGIE, a leading energy and regeneration company, discuss careers, training and apprenticeships based around the construction sector. Construction jobs involve more than just what you see on a building site. There is a huge range of career choices in the industry and this session will give you a brief insight into a few of these roles.
Open to students Year 7 - Year 11. Max 30 spaces available.

**TUESDAY
2ND**

National Careers Service Information Session and Q&A - 1pm-2pm
If you're not sure what the right path for you is once you leave school, come to this session where Poppy from the National Careers Service will talk through the different options such as apprenticeships and university and how to find out which sort of career you might be interested in. You will also have a chance to ask any career-related questions.
Open to students from Year 9 - 11. Max 30 spaces available.

Q&A with Burges Salmon Myth-busting about Law - 3pm-4pm:
An opportunity for students to watch a mini film from employees from Burges Salmon myth busting what the legal profession is like ahead of a live session. The live session is an opportunity for students to then interview, ask questions and get to know the members of the team and how they entered their profession and learn more about what working for Burges Salmon is like.
Open to students Year 9 - Year 11. Max 20 spaces available.

WEDNESDAY 3RD

Raising Aspirations - 9.30am - 2.30pm

This virtual careers event will be held on the LiketoBe online platform and will offer a range of recorded activities and sessions. Please note this is as costed event for schools via the CLF team.

Meet and Greet with Bristol Old Vic - 3pm-4pm

Watch a recorded tour of the Bristol Old Vic theatre in your own time and then come along to this live session to meet theatre employees and ask them your questions about their careers.

THURSDAY 4TH

Careers Session and Meet the Apprentices with Bell Group - 10am-11am

Join this session to learn about the wide variety of careers available with Bell Group, the UK's largest commercial painting and decorating contractor. You will also hear from some of their current apprentices about their career journeys so far and get a chance to ask any questions. Open to students in Year 9 - Year 11. Max 20 spaces available.

Creative Media Careers with True to Nature - 3pm-4pm

You will be sent some short videos by people working in Natural History-related TV and creative media jobs to watch before coming to this live Q&A session to learn more. You can send in any questions before the session or ask them on the day too!

Open to students in Year 10 and Year 11. Max 30 spaces available.

FRIDAY 5TH

University of Bristol Life Sciences - 9am-10am

Come to this session to learn more about the Life Sciences department at the University of Bristol, including the courses available. They will be busting common myths about university and answering your questions.

Open to Year 10 and 11 students. Max 30 spaces available.

93% Club University Live Q&A - 10.30am-11.30am

The 93% Club support students at the University of Bristol who have come from a state secondary school to have the best possible university experience. For this session, you would be sent an information video to watch in advance, explaining where you can get support to help you get into university and improve your confidence that university could be an option for you. Then, join this live session to ask any questions you may have.

Open to students in year 10 and Year 11. Max 20 spaces available.

We have a variety of recorded resources that are available to access at any time:

Post-16 Options Assembly - This short video explains the different options available to students after they leave school such as apprenticeships, A Levels, T Levels and more. This could also be delivered live virtually if preferred.

Creative Careers - A video explaining a wide variety of careers available within the creative industry.

How to Make Informed Decisions - A video explaining what you need to know and do to make good decisions throughout your studies and about your future career.
