Dear Parents and Carers,

Happy Friday everyone. I hope you have had a wonderful week. We had an exciting week with our whole school Sports Day yesterday. We hope students thoroughly enjoyed the day.

Our top achievers with green points from this week have been:

Year 7	Year 8
Yeissel S-C (16) Fabio N-C (16)	Oumy S (19)
Year 9	Year 10
Natalia B (17)	Molami B (16) Fralalbert C (16)
Resource Base	
William M (10)	

We are delighted to say that Blaise High School is one of the top-performing schools on **HegartyMaths** for the fourth year in a row. Only a small number of schools make the Super List each year, so it is an incredible achievement for students and the maths team. We are so proud of the work students and staff have put into achieving this, that I'm confident we can carry this achievement forward into the new homework platform Sparx and deliver the same level of success for students.

Our values of Ambition, Inclusion and Collaboration ensure students are equipped with a Growth Mind-Set and can meet our mission of Social Justice.

On Thursday, we had our whole school **Sports Day** with students competing in the classic track and field events as well as tennis, badminton, football, tug of war and dance. It was a wonderful day and I want to extend a huge thank you to Mrs Griffiths and her PE team for all their efforts. It was lovely to see alumni Sport Y11 students joining to help run the day. Finally, I want to thank the students who participated inclusively, worked together collaboratively and were ambitious in their determination to succeed throughout.

Below are the highlights of the winners and some pictures showing the day:

As we near the school summer holidays we know that for many families additional support may be useful while the school is shut. In particular, support with providing lunches at home can be found through emergency food parcels available over the summer holiday. To access this and a food bank referral please contact either:

Local Crisis Prevention Fund Team: 08009230101 or Help Through Hardship 08002082138

Liz Williams, our Family Support Worker, is available to contact for any family who would like advice. Her email is williamsl@blaisehighschool.co.uk. Liz can support parents with advice as well as joining you up with other agencies and organisations that will be useful.

Please check out the current staff vacancies on our website. We are currently advertising for an IT Manager to be based at Blaise High School. To apply, please go to <https://www.blaisehighschool.co.uk/contact-blaise/school-contact-details/staff-vacancies> to register and complete the online application.

Finally, an additional reminder that on the 20th and 21st July, Blaise High School (BHS) is holding the final Academic Review Day of the school year. The aim of this is to give parents, pupils and teachers the opportunity to understand the academic performance of BHS students. The term will end for students on Wednesday 20th April at 3.00pm to facilitate this event. To ensure that everyone is able to attend, we will be running an evening event on Wednesday 20th July from 1600-1830, and a morning event on the 21st July from 0900-1230. We anticipate that the former will be busier, so if you can attend either we suggest coming to the morning event. You are welcome to come in at any time and for any duration within these times and dates. For more detail, please see the information on the school website.

We wish you a fantastic weekend when it comes.

Yours faithfully,
