Dear Blaise families,

At Blaise High School we recognise the importance of children working hard to climb their own personal mountains to the very best universities in the country, or careers of their choosing. We also recognise the importance of feedback and welcome conversations with the community to continue to develop our school. We want to work closely with the community to build the best possible school we can for this community. We welcome all feedback both positive and areas in which you feel we need to develop. We will use this to inform our future planning, however as with everything, we cannot guarantee that every suggestion will be enacted.

There are a number of questions we would like to ask you about the experience of your child at school, so I would like to invite you to complete our Parent Survey. This survey will take no more than 5 minutes and will give us valuable information on how to improve aspects of school for your child.

To complete the Parent Survey please click [here](#).

If you would like more information about our PSHE Curriculum you can visit our [website](#). We strongly recommend that parents do check this.

Please find a video summary of this letter [here](#).

Thank you for taking the time to complete our survey.

Yours faithfully,

Sarah Bate
Assistant Headteacher - Character
