24th April 2023

Dear Blaise Families,

We teach a knowledge - rich curriculum at Blaise High School. This means that the knowledge which we teach is carefully selected and intelligently sequenced to give students the very best chance of climbing their own personal mountains to the very best Universities in the country or careers of their choosing.

We encourage all of our parents to review the subject curriculum maps [here](#), and to regularly discuss what students are learning with them. I have attached curriculum summaries for this half term to this letter. These lay out what your children will learn in each subject, and a question to ask them in each subject area. There is one for KS3, one for KS4 and one for the Resource Base.

We will be running an academic review afternoon for year 7 - 9 on the 22nd June which will give you an opportunity to meet with your child's teachers. Year 10's academic review afternoon will take place after the mock exams. Further details will be shared with you closer to the time.

Yours faithfully,

**Josie Shelton**  
Deputy Headteacher
