Blaise Remembers

On Friday 11th November, we came together as a school community to remember those who have lost their lives due to war. Ms Bate planned a whole school activity in which all groups were brought down to the astro to remember together. Mr Killigrew read to all of the students and we listened to the last post through our P.A system. We were also lucky to have those students of ours who are cadets come to school in their cadet uniform. The cadets carried out a parade, they were brilliantly led by Mackenzie P in Year 11.

Mackenzie P and Lucas C read a poem beautifully to the whole school. They read skillfully and with real confidence, it was a very moving moment for the school. We were immensely proud of the students; their character really shone through in their behaviour and conduct and they genuinely recognised the importance of remembering those who have lost their lives to conflict. They were a real credit to themselves and the community.

Fun Friday: What is coming up?

18th November - Table Football on our new Football Tables

25th November - Beat the Goalie!

2nd December - Guess which teacher has entered December in the Christmas spirit by dressing up as Santa!

Resource Base Update:

The Resource Base students had a very successful week with a significant contribution to our Remembrance Service which included lessons in class and being fully involved in our Remembrance Service outside.

We also welcome new members of staff to the team with two new Teaching Assistants having joined us, both really strengthening the level of support we offer our students.

Our Year 11 Resource Base students have been very busy with preparation for mock GCSE Maths and also having completed their sixth assessment paper for their EL Maths qualification, now just having two more to complete.

Events

20th November - Ten Tors Fitness Test

28th November - Year 11 Mocks finish

28th November - Y7 - 10 Assessments start. Everyone can revise from their knowledge organisers.
