Highlights

Reward Experiences

I want to start off by saying a huge well done to everyone who received a reward at the end of last term. Over $\frac{3}{4}$ of every year group got to enjoy our Cinema Experience, Obstacle Course and Laser Tag rewards in the last week of term and as we move into March, over $\frac{3}{4}$ of the school will receive another rewards experience, for free because we believe that the hard work you put in everyday should be rewarded. We recognise that rewards build strong foundations for a community that works together towards accessing the very best universities in the country or careers of their choosing.

The Unit 2 green points count started on the 6th December. We are really looking forward to writing to all of our community with details on the rewards experiences for unit 2 in due course. The children at Blaise High School work incredibly hard, every day and they deserve to be rewarded for this.

Resource Base Update:

Year 8 have been learning about Victorians and had an excellent trip to the SS Great Britain where they found out about life at sea in Victorian times, a highlight was playing the games they would have played onboard and dressing up in Victorian clothes. Year 8 and 9 have been working with Gloucester Cricket and tried out some table cricket, they learnt some cricket techniques for batting and bowling. Post 16 joined them as Young Leaders and have worked towards an award to show their skills in leading others.
