Week # of unit	1
Week # of the year	27

### Highlights

#### Reward Experiences

I want to start off by saying a huge well done to everyone who received a reward at the end of last term. Over  $\frac{3}{4}$  of every year group got to enjoy our Cinema Experience, Disco obstacle Course and Roller Disco rewards in the last week of term. We recognise that rewards build strong foundations for a community that works together towards accessing the very best universities in the country or careers of their choosing. Our unit 3 green point count has already started and children's totals are rising rapidly as they earn more green points and golden tickets. We are really looking forward to writing to all of our community with details on the rewards experiences for unit 3 in due course. The children at Blaise High School work incredibly hard, every day and they deserve to be rewarded for this.

This term, as well as green points adding up to a child's own personal total, their green points will count towards their House total too. Houses will be battling it out through InterHouse sports competitions, a spelling bee and sports day to be named House champions at the end of this year. We can't wait to see lots of children joining teams to be part of these House competitions. It is great to see everyone back at school and we are really looking forward to a fantastic summer term. I would also like to say Eid Mubarak to anyone celebrating in the community today.

**Resource Base Update:**

Our Post 16 Resource Base students visit SGS College this week as part of their preparation for further education. They also begin a second block of work experience; for this block they are at Elm Tree Farm.

All of our Resource Base students and staff will be going to the Principality Stadium in Cardiff for the Wheelchair Rugby Championships. This is a highly competitive sport that has thoroughly engaged many of our students.

Finally, last week we had a team of students in the South West Region Table cricket finals. It was a fantastic achievement to reach this stage of the competition and the team performed admirably. Although we did not win the regional finals, from a starting body of over 8000 players, one of our students was awarded the 'Spirit of Cricket' award. This was for the best team player and most enthusiastic team member in the competition. Huge congratulations to Kartell for achieving this.

We welcome feedback at any point, please do use this [form](#) to offer feedback on any part of the school.

We will send curriculum summaries for the first half of Unit 3 next week. Please find a video summary of this newsletter [here](#).
