18 January 2024

Dear Blaise families,

We are very excited to launch our **unit 2 enrichment clubs timetable** which can be found [here](#) and at the end of this letter.

At Blaise we care deeply about children's characters and work hard to develop them. One way in which we develop children's character is through our Enrichment Programme which includes a wide range of activities that children can get involved in, both academic and non-academic, to develop attributes that will make them successful in their futures and solidify hobbies for life.

We are extremely proud of all of our students that attended an enrichment club in term 1 and those students were able to show off what they have been learning in our Enrichment Showcase. Our lovely students taking part in Young Enterprise have created a business called Botanic Palace selling seeds in their Young Enterprise club, the students undertaking Ten Tors have started training for their challenge taking part in May, our Netball team had an awards ceremony, the Show Choir gave a beautiful performance and much more.

Our Enrichment Fayre at the end of unit 1 was very busy with lots of students signing up for clubs for unit 2. For the full timetable of enrichment activities in unit 2 please see below.

We are striving for every child to take part in an enrichment activity this term. Please discuss with, and encourage your child to attend our program of activities. These activities not only develop strength of character but are a fantastic way to make new friends and offer students something valuable to add to their future application forms or CV's.

If you have any questions about our Enrichment Programme then please do not hesitate to contact me via email at [woodlandj@blaisehighschool.co.uk](mailto:woodlandj@blaisehighschool.co.uk)

Yours faithfully,

**Miss Woodland** -Science Teacher and Director of Aspiration
