We are so pleased to welcome year 9 back after the break and congratulate those who have already made a great start to the new year. We want you all to work well and support one another. ## Rewards at Blaise High School

I want to start off by saying a huge well done to everyone who received a reward at the end of last unit. Over  $\frac{3}{4}$  of every year group got to enjoy the rewards experiences on offer. We recognise that rewards build strong foundations for a community that works together towards accessing the very best universities in the country or careers of their choosing.

Alongside our green points totals students are rewarded every week in their year group assemblies. The tutor group with the highest green points, the best attendance and the best equipment get celebrated. The children with the the top ten green points in each year group get celebrated and each week a student is chosen to receive our virtues award. This is awarded to someone who has demonstrated our virtues excellently in the previous week.
