Enrichment Showcase Week NEW Format – w/b 18th March

Dear Blaise Families,

At Blaise High School we recognise that qualifications and results will open doors for our children to access the very best universities in the country or careers of their choosing. However, we also understand that in order for our children to make the most of these opportunities they must develop the strength of character required to take on the obstacles that will face them on their climb up their mountain.

At Blaise we care deeply about children’s characters and work hard to develop them. One way in which we develop children’s character is through our Enrichment Programme which includes a wide range of activities that children can get involved in, both academic and non-academic, to develop attributes that will make them successful in their futures and solidify hobbies for life.

We are incredibly excited to invite you to our Enrichment Showcase Week from the 18th - 21st of March 2024.

Monday 18th March	Tuesday 19th March	Wednesday 20th March	Thursday 21st March
Sparx Club	Swimming Club	Boys Football	Young Enterprise
	Girls Football	Music	Art KS3 (yr 7,8,9)
		Board Games	Boys Football
		Cooking	

During the week beginning the 18th March, enrichment activities will be open to families to join. They will run as usual but families are invited to attend the session and join in with the enrichment activity that their children have been attending this term. We want families to have the opportunity to not just come in and view the activities in action but actually get involved, building that sense of togetherness and joy across the community.

Timings

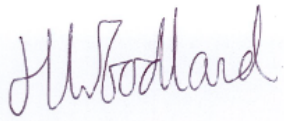

- 2.50pm: Arrive at reception to sign in.
- 3:05pm: Families will be escorted to the relevant enrichment activity.
- 3:10pm: Families will attend the activity to observe and join in with the activities.
- 3:55pm: Sign out, all families off site.

If you are interested in joining your student, at the club they have been attending this term, please fill out this [google form](#).

If you have any questions, please do not hesitate to email me; woodlandj@blaisehighschool.co.uk.

Yours faithfully,

Jade Woodland
