Dear Blaise Families,

Our Year 11s have been working really hard in lessons and have shown real commitment as they begin their final year with us. We are really proud of them and know that by continuing to attend school every day and making every second count, they will finish the year incredibly proud of the results they achieve.

P7

We are really excited to launch P7 on 23 September. In Term 1, we will be running P7 each Monday and Tuesday. P7 is an additional session run by our fantastic Heads of Maths and English. The focus is exam practice and homework support. The average grade of children attending P7 regularly last year was a grade 6. We know that the extra time with teachers helps children feel more confident and prepared. Thank you for your support with encouraging your child to attend.

Students receive 2 prom points for every P7 attended. Our Prom Points are linked to the actions required to achieve the very best outcomes. More information on our Prom will be shared next term. We also offer snacks to reward students for staying that little bit longer.

Day	Subject	Teacher	Time
Monday	Maths	Mr Burr	4 - 4:45
Tuesday	English	Mr Matherson	4 - 4:45

Champions Hour

We also have a quiet space for students to work independently in Final Ascent from 4 - 4:45 each day. Students can complete subject homework, flashcard revision, cornell notes or exam question practice. We have a wide range of past paper questions and flashcards in Final Ascent.

Key Dates

This letter also outlines key dates for you and your child. More information will follow in due course. The last day for students is no later than 25 June. No exams will run after this date. Children are taught all the way to the end of the exams.
