Dear Blaise families,

We all know how important a child's attendance to school is and when a child misses a day from school, it means they lose vital learning. Your child's education is too important to miss.

We want to take this opportunity to thank you for all the hard work that you have put in at home to ensure that your child comes to school every day.

We recognise that at times attendance can be difficult, especially when your child is unwell. That is why we make sure that our Heads of Year can check in with students every day, up to three times a day and students have their tutors every morning. Hundreds of students have access to Mountain Rescue too. Despite some challenges for some, all of our children try hard to be in school every day. For this, we want to recognise these students. We are excited to share with you our new rewards programme named 'Every Day Counts'.

When your child is in school every day, they will receive a token on a Friday morning during TTRP. On Friday lunchtime, the Attendance Kiosk will be open in the Yellow Corridor with all the prizes on display. There are plenty of prizes in store for the students to collect. We have notebooks, cushions, pens, water bottles, colouring pencils, lunchboxes, pencils, highlighters, drawstring bags and sports bottles. We even have our very own Blaise High School teddy bear! Students can then trade in their tokens for the prize they would like. If they want a higher-token prize, they can save up their tokens week on week. More prizes will continue to be added across the year.

To kickstart the programme, the Every Day Counts tokens will start to be given out this Friday, 7th June. In week 3, there will be double tokens for every student in that week. We are very excited to see the students collecting their prizes every week and to be able to congratulate them on their fantastic achievements.

If you have any questions, please email me at [giblinz@blaisehighschool.co.uk](mailto:giblinz@blaisehighschool.co.uk). A link to the video for this letter and the video that the students will watch is [HERE](#).

Yours faithfully,

**Mrs Giblin**  
Assistant Headteacher

Nat Nabarro, Headteacher
