

# PERSONAL DEVELOPMENT Summer Term 2024 (1) Year 7

It is so lovely to have the students back in school after the Easter Break. Witnessing our students celebrate their achievements and receive well-deserved rewards last term was a testament to their dedication and hard work, we are so proud of them. It has been inspiring to see the children return to school with a renewed sense of enthusiasm, confidence, and curiosity excitedly signing up for up for this term's enrichment activities, sharing their learning and being ambitious in their learning. Year 7's are a fantastic example 'When one succeeds we all succeed'

## Blaise High School Unit 2 Rewards

Our final week of the unit was filled with celebrations for our Gold, Silver and Bronze students as well as our 100% attendance students!

It was fantastic to see students enjoying a film and popcorn, bouncing their way through the inflatable obstacle course, scaling walls (even in the wind and rain!) and literally flying through the air at AirHop. We are so proud of every child that achieved a rewards experience at the end of last unit and look forward to seeing even more names on the list for Unit 3.

The green points scores for unit 3 have already begun, so every child has the opportunity to build their scores towards their Unit 3 experiences.

## House competitions this term...

Our highly contested Maths Times Tables Knock Out Challenge showed students showing off some truly epic times tables skills!

Winners: Yr 7 - Ziva A, Yr 8 - Rhylee G, Yr 9 - Laila L, Yr 10 - Kody B

## Summer Term 2024 (1)

### Year 7

#### Year 7 PSHE in Unit 3

Big ideas	Curriculum summary	Lessons
Relationships  Developing Me	Students learn about the structure of the government. They also learn about traits of healthy and unhealthy relationships and how to manage conflicts in friendships and online. Students learn about the physical and emotional changes that take place during puberty. They also learn about conception and the development of the baby as well as the feeling and choices around having a baby. Students will learn about self-esteem and body image and how the media, and in particular social media, can affect people's self-esteem. They will also identify strategies to build self-esteem.	<ol style="list-style-type: none"> <li>1. The structure of government</li> <li>2. Relationships</li> <li>3.
