

Blaise High School: School Work from Home Model

During the time of our school closure it is absolutely essential that students continue their school work from home. We have always guaranteed the students we serve the best chance of success and we will not let this stop during a school closure. We know that parents and students will be supportive of this.

There are 3 ways students will continue their school work from home:

1. Google Classrooms will replace lessons
2. Literacy and reading programme will continue
3. Homework routine will continue

Classroom lessons	<p>You will follow your normal timetable and complete 5 lessons on Google Classrooms per day. A reminder of your timetable is enclosed with this document.</p> <p>You will be set work from the subjects you would have had.</p> <p>The work will always include a knowledge quiz, input from the teacher and some deliberate practice.</p> <p>You will complete the work on the Google Classrooms platform or in a workbook given to you.</p> <p>Attached is resource explaining how Google Classrooms works including log on information.</p>
Literacy and reading routine	<p>Using online resources you will continue to read for the Tutor Time Reading Programme (Y7-10). Attached is a resource explaining how the TTRP will work through YouTube and Google Forms.</p> <p>You will continue to read your own reading book every day and record your page numbers in your planner. Complete reading twice per day and complete the 2 sections of your planner to show your progress</p> <p>Following from your reading, both TTRP and independent, you should continue to complete your Tier 2 and 3 language record in your planner</p>
Homework	<p>You will complete 10 self-quizzing questions in your planner each day using your Knowledge Organiser.</p> <p>You will complete your weekly set amount of Hegarty tasks including MemRi and Fix Up Five.</p> <p>Year 11 students will also complete the weekly set amount of Bedrock, Seneca and Tassomai.</p>
