Dear Blaise families,

This letter is an invitation to our first ever **Blaise Homework Open Morning**, on Friday 8th November 9:30-10:15.

I wrote to you on 6th September with details about our homework system, and your support already this year is having a huge impact on the progress of your children. Every day in lessons, we are seeing the impact that students self-quizzing with Integrity has on their access to lessons and learning over time. The completion rate for Maths homework on Sparx is also the highest that the school has ever seen!

Each Unit, we will host a Homework Open Morning, which will be an opportunity for you to come into school, hear from teachers and students about our self-quizzing and Sparx homework systems, and ask any questions that you may have.

The Homework Open Morning is most relevant for families of Y7-10 students, but families of Y11 students are always welcome as well. To sign up for the event, please complete [this](#) google form by Friday 25th October.

A reminder that [this](#) section of our school website contains detailed information about our homework system, with videos explaining why we have designed our homework system in the way that we have, what homework your child should do each day and week, and how you can support your child to complete homework effectively.

If you have any questions about the Homework Open Morning, or Homework more generally, please email info@blaisehighschool.co.uk and an appropriate member of staff will respond to your request.

We look forward to welcoming as many families as possible - thank you in advance for your engagement, we really appreciate the support you give to your child and know it makes a huge difference to their learning over time.

Yours faithfully,

Mr Williams
Assistant Headteacher for Curriculum

Nat Nabarro, Headteacher
