14th January 2025

Dear Blaise Families,

Enrichment Unit 2

At Blaise High School, we believe that while academic success is vital for unlocking future opportunities, building resilience, confidence, and character is equally important for overcoming life's challenges.

Our **Enrichment Programme** plays a key role in supporting this development, offering a range of academic and non-academic activities designed to inspire, challenge, and help students discover lifelong interests.

You can view our full Enrichment timetable at the end of this letter, all Enrichment activities start on Monday 13th January 2025. Some exciting **new clubs** this year include;

- Blaise Changemakers, where students will plan and lead fundraisers for causes important to them
- EAL Conversation Club, offering support to students for whom English is a second language
- Reading Club, for students to read and discuss their favourite books

Please encourage your child to get involved! These activities not only help develop valuable skills and friendships but also enhance future applications and CVs. If your child hasn't signed up yet, it's not too late, they can simply speak to the teacher running the club or just turn up!

You can view the updated Enrichment timetable at the end of this letter or on our school website. If you have any questions, feel free to contact me at woodlandj@blaisehighschool.co.uk

Yours faithfully,

Jade Woodland
Science Teacher and Director of Aspiration
