Dear Blaise families,

This letter is an invitation to our Unit 2 **Blaise Homework Open Morning**, on Friday 14th February 9:30-10:15.

I would like to start the letter by thanking you for the support you give to your child each and every day. This academic year has seen students at Blaise learning more than ever in lessons, because of their brilliant attendance, their brilliant commitment to learning, and their brilliant approach to homework. Our students deserve all of the credit for this, but we also know that this would not happen without the support of parents and families.

Every day in lessons, we are seeing the impact that students' self-quizzing has on their learning over time. The completion rate for Maths homework on Sparx is also the highest that the school has ever seen. Again - we would like to thank you for your support here.

Each Unit, we host a **Homework Open Morning**, which is an opportunity for you to come into school, hear from teachers and students about our self-quizzing and Sparx homework systems, and ask any questions that you may have. Each homework open morning is an opportunity for families to find out more about homework at Blaise, and for us as a school to gain feedback from parents so that we can keep improving our systems for students.

The Homework Open Morning is designed for parents of Y7-10 students. To sign up for the event, please complete [this](#) google form by Friday 7th February.

A reminder that [this](#) section of our school website contains detailed information about our homework system, with videos explaining why we have designed our homework system in the way that we have, what homework your child should do each day and week, and how you can support your child to complete homework effectively.

If you have any questions about the Homework Open Morning, or Homework more generally, please email info@blaisehighschool.co.uk and an appropriate member of staff will respond to your request.

We look forward to seeing as many of you as possible at 9:30 on Friday 14th.

Yours faithfully,

Mr Williams
Assistant Headteacher for Curriculum

Nat Nabarro, Headteacher
