Dear Blaise Families,

We have been recently made aware that there will be some changes to First Bus that services this area. This is likely to include the change of route for the No. 2 bus, which will no longer be stopping at Crow Lane and Station Road. We know this is likely to impact a lot of our families, particularly those from Brentry and Southmead.

We have contacted our local councillor, Mark Weston, to discuss this issue and we have also contacted the First Bus company; we are currently awaiting a response. We are very keen to work with these stakeholders to ensure that all of our families are able to ensure their children can attend school on time, every day. ***Please note this is subject to change and we recommend that you check with Bristol City Council in regards to any changes that will impact your child getting to school.***

If this change will be affecting you, please look at alternative transport options for your child to ensure that they can arrive at school by 8.35am each morning.

It is crucial that your child arrives at school on time, despite these changes and this may mean adjusting wake up times or departure times from home. Please use the bus timetables on the Bristol City Council website to adjust your child's timings in the morning, to ensure that they are in school on time. We will continue to work with Bristol City Council to support all children to be on time to school.

During the first week of the changes we will monitor bus arrival times and understand both parents and students need time to adjust their schedules. Therefore we will not issue a late detention during this first week only, due to potential bus delays and traffic.

A reminder that the school gates will close at 8.35am. If your child will be late to school for any other reason, please contact school reception to inform us that morning of the reason they are late. We will support students who are late to school to assist them in having a successful day.

Yours faithfully,

Mrs Z Giblin
