MSG/JBW
24 April 2025

Dear Blaise Families,

I'm writing today to share information about our final Year 11 Information Evening on **Wednesday 30th of April at 5pm** in the Main Hall. Please complete [this](#) form to let us know if you can attend.

I will be sharing more information about our actions with you:

Summer timetable

This is a weekly timetable for each child mapping out each lesson of every day, right up until the last exam. Students are either in exam preparation, exams or timetabled lessons. We know that students that attend every day up until the last exam go up at least 1 grade in every subject due to support and experience from our excellent teachers.

Exam times, warm ups and boosters

Exams start at 9.25 for AM exams and 13.25 for PM exams. Warm ups begin at 8.15 for AM exams and 11.35 for PM exams. P6 is either a timetabled lesson or a booster which prepares students for the exam the next day.

Subject guidance

The Head of English, Maths and Science will share how you can support your child at home within these core subjects to enhance their revision.

Wellbeing

Mr Leese will be sharing some supportive strategies on how to look after each other in what can be a stressful time. The best advice is to be prepared, our students are ready, they have been working so hard, now is the time to show off their knowledge. Its important to have a balance, studying regularly but also ensuring there is time to relax and enjoy time with family and friends.

Questions for us

There will also be the opportunity to speak to various staff if you have any specific questions for us. We believe wholeheartedly in the potential of your child and we know that working in close partnership with parents and carers gives all of the children the very best chance of success.

Please do contact me if you have any questions or require any further support at standingm@blaisehighschool.co.uk

I look forward to seeing you next week.

Yours sincerely,

Matt Standing
Assistant Headteacher

Nat Nabarro, Headteacher
