Dear Blaise Families,

House Ties

Our House System is an integral part of our school. Our Houses are named after mountains. They are; Kilimanjaro, Everest and Elbrus. The houses are named after mountains because all of our students are climbing their own personal mountain to the best universities in the country or careers of their choosing and the community voted for the names. Our House system is designed to create a strong sense of belonging, where students feel part of another team and family within the wider Blaise High School community.

We are excited to share an important update regarding our school uniform related to the House System

From **September 2025**, all students will be issued with a brand-new school tie that reflects their House affiliation. These ties will proudly incorporate the colours of their House; **Kilimanjaro, Everest, or Elbrus** and symbolise their place within our school community.

To ensure a smooth transition:

- Students' current Blaise ties will be **collected in the final week of Unit 3**.
- New House ties will be **issued on the first day of the new school year in September 2025**.

The first of the new ties will be **provided free of charge** to all students. Should families wish to purchase additional ties, they will be available to buy via the **My Child at School app** at a cost of **£4.40**. Should ties break, or be lost, families will need to purchase one via the app.
