Dear Blaise families,

**Y9 Holocaust education speaker**

I am very pleased to inform you that during period 5 on **Friday 20th June**, we will be welcoming a speaker from Generation 2 Generation, a Holocaust education charity, to Blaise High School. Jeanette Marx will share the deeply moving story of her late mother, Mascha Nachmansson, using a range of family photos and recorded clips of Mascha retelling her story. This event will be for all mainstream Year 9 students.

Generation 2 Generation was established to empower second and third generation Holocaust survivor descendants to present their family histories to school students and other audiences. Through the use of survivor testimony, they aim to keep these Holocaust stories alive and promote the importance of inclusivity and human rights.

Year 9 students are currently learning about the Holocaust in their History lessons and this will be an excellent opportunity for them to deepen their understanding of this important topic. After the talk, students will have the chance to ask questions and to reflect on Jeanette's story and the insights she shares.

At Blaise High School, we are highly aspirational for our students and everything we do centres around our vision: every student will climb their own personal mountain to the very best universities in the country or career of their choosing. We believe that working hard in every lesson, alongside learning activities that extend beyond the classroom, will give our students the best chance of future success.

If you have any questions about the event, please email [info@blaisehighschool.co.uk](mailto:info@blaisehighschool.co.uk) with the subject 'Year 9 Generation 2 Generation talk' and an appropriate member of staff will respond to your request.

Yours sincerely,

**Ms M Reynolds**
