Dear Blaise Families,

Our Year 10s have been working really hard in lessons and we are really proud of their hard work so far this term. Their effort in their mock exams was fantastic. I am writing with a reminder about the exciting changes that begin next week as we prepare for Year 11.

Period 6

Period 6 begins on Monday 7 July and your child's school day will finish at 4pm. From September, P6 will be every day. We have seen a really positive impact of Period 6 in our Year 11 results due to the additional time spent with our subject experts leading to our children feeling more confident and prepared for every paper and increased grades in coursework.

Year 10 have been issued with an individual Period 6 timetable so they know what lesson they have each day. We will support them with this each day at P6 line up. Detentions will still run as normal and if a student has a detention they will be leaving site at 4:45pm.

Summer Holiday homework

Each subject will be issuing one piece of summer homework. It is designed to prepare students for Year 11 and to revisit key content from Year 10. It will be collected in their first P6 in each subject in September.
