Dear Blaise Families,

We are writing to you to share some important dates for later in this academic year. This year we will be holding different Academic Review events for different year groups, we will also be holding our annual open evening, and a number of open events for parents to attend. Year 11 parents will receive a letter from Mr Standing next week with the key information and dates for those students.

If you would like to see around the school during the working day, please do not feel that you have to wait for a specific event. We are always open for visits from parents and other members of our community and you can book a 'School in Action' tour via the website.
