### Year 11 key calendar dates

Dear Blaise Families,

Our Year 11s have begun their final year with real aspiration and integrity, working hard in every lesson. By following our actions and making every day count, they will achieve excellent results and finish with great pride. This letter outlines our first set of actions to help them on that journey, along with key dates so you can prepare and support your child effectively.

#### Homework

We know that homework has supported our previous Year 11s to achieve excellent results and will achieve over a grade higher. Please support your child to complete their homework at home if possible. We also have a quiet space for completing homework during lunchtime in school in R03. We set the following homework each week:

- **Subject homework** is set based on the work in the lesson and is set and due in the next P6. It should take between 30 and 45 minutes to complete.
- **Self-quizzing** is due during P0. This should be at least 1 page of work.
- **Sparx** is due each Tuesday at 2pm. The Maths team offers support each lunchtime if your child needs help.

#### Key Dates

Here are the key dates for you and your child. More information will follow in due course. The last day for students is no later than Wednesday 24 June. No exams will run after this date.

#### Children are taught all the way to the end of their last exam.
