Dear Blaise Families,

Careers Fair - 16th October (Year 10 & 11)

At Blaise High School, we are deeply committed not only to academic excellence but also to nurturing strong character and high aspirations. We believe that every student has the potential to climb their own personal mountain, whether that leads to a top university or the career path of their choice. Our goal is to ensure that every child has the opportunity to access a Russell Group university if they aspire to, while also offering a broad range of options to suit their unique goals. Ultimately, we want each of our students to have the freedom and confidence to shape their own future—whether through university or another fulfilling path.

As such, I am delighted to invite you to our Post-16 Careers Fair Event on Thursday 16th October from 5pm to 7pm.

We will have representatives from a range of post-16 providers, including apprenticeship, further education, t-level providers, higher education, and employers, who will offer information about the wide range of opportunities available to students when they leave Blaise High School at the end of Year 11. We will also have an area where students can get support with applications.

During the evening, at 5:30pm we will have a talk from Western Training Apprenticeships and at 6:30 we will have a talk from Bristol University's outreach team and will present a talk on 'Choosing a Course and a University'.

There will be stands from the following providers: SGS College, St Brendan's College, St Bede's Sixth Form, Bristol Free School Sixth Form, Ashton Park Sixth Form, Cotham 6th form, City of Bristol College, Yate Academy Sixth Form, Cardiff University, UWE Bristol, Burges Salmon, Wessex Water, Babcock, Baker Hughes Global Engineering, Bristol City FC Robins Foundation, On Site, The Ministry of Defence, The Royal Navy, Boom Satsuma, Bristol Rovers, Bristol School of Acting and Avon & Somerset Police. Each stand will offer information about the courses and opportunities available and their respective application processes. These providers will support our young people in reaching their personal goals, whether that be university, apprenticeships, or employment.

The event is always well attended, so we suggest Year 11 students attend between 5-6pm and Year 10 between 6-7pm. However, you are welcome to attend at any time that fits your schedule.

Please enter the school via reception, where you can sign in and enjoy a refreshment. Students do not need to be in uniform, and they may attend without parents or vice versa. We look forward to seeing you and supporting your journey toward an aspirational and bright future.

Yours faithfully,

S Leese
