Dear Blaise families,

### **Secondary School Application Deadline**

This letter is for any family that have children currently in Year 6, or have friends with children currently in Year 6.

This year at Blaise we have had appeals from **siblings of current students** who had applied too late for a place in our Year 7, thinking they would automatically be given a place because a family member already attends the school. Consequently, these students were put on the waiting list - had they applied in time, they would have been offered a place at the school before we became full.

To be offered a place at *any* secondary school, you must submit an application to the council. So, if you have a child in year 6, or know of people that do, please make sure they have applied for their place using the link below.

The deadline to apply for year 7 is 31st October 2025. You can apply through [Bristol City Council Y7 Applications](#).

Any applications submitted after this date will be treated as a late application by the local authority and will not be considered until after all those applications that were received on time.

The number of children leaving Blaise each year with excellent qualifications, including strong passes in both English and Maths, has *doubled* in recent years. Because of this, and many other reasons, places are likely to fill up fast. So please visit [this](#) section of our website, book a tour, apply for your place, and email [info@blaisehighschool.co.uk](mailto:info@blaisehighschool.co.uk) if you have any specific questions about transition.

We really hope you choose Blaise High School and look forward to receiving your application.

Yours faithfully,

**Mr D Williams**  
Deputy Headteacher - Transition Lead

Nat Nabarro, Headteacher
