Dear Blaise families,

Parent Survey

To complete the Parent Survey please click [here](#).

At Blaise High School, we recognise the importance of feedback and welcome conversations with the community to continue to develop our school. We also recognise the importance of children working hard to climb their own personal mountains to the very best universities in the country, or careers of their choosing.

We want to work closely with the community to build the best possible school we can for the families within our community. We welcome all feedback both positive and in the areas in which you feel we need to develop. We will use this to inform our future planning, however as with everything, we cannot guarantee that every suggestion will be enacted.

There are a number of questions we would like to ask you about the experience of your child at school, so I would like to invite you to complete our Parent Survey. This survey will take no more than 5 minutes and will give us valuable information on how to improve aspects of school for your child. Please complete the survey by **Monday 8th December 2025**.

If you would like more information about our PSHE Curriculum you can visit our [website](#), and if you would like more information about our overall curriculum for each subject please see our curriculum section of our [website](#). We strongly recommend that families do check this.

Thank you for taking the time to complete our survey.

Yours sincerely,

Sophie Exton
Deputy Headteacher

Nat Nabarro, Headteacher
