Dear Blaise Families,

We are writing to inform you of a small change to the way food will be served in the main dining hall for students in Years 8–11. This change has been made following feedback from students and is intended to make lunchtime service quicker and easier for everyone. We are grateful to be working closely with our catering team to introduce these changes and to continue improving lunchtime for our students.

From Monday 12th January, the main dining hall will operate with two distinct service windows:

- **The first (main) service window** will offer *meal deal* options. Students will be able to choose a combination of items as part of their meal deal, which will include:
 - a main item
 - a drink
 - a pudding
- **The far service window** will offer *individually priced items*. Prices will be clearly displayed, allowing students to select and purchase individual items according to their preference.

Students who are eligible for **Free School Meals (FSM)** will continue to be able to purchase food from **either window**, as they do currently.

We believe this new arrangement will help reduce queuing times and provide clearer choices. Staff will be available to support students as they become familiar with the new system.

Yours faithfully,

Miss J Shelton
Head of School
